Patches & Co.

is a Hispanic women-owned and operated company. It has provided bilingual, child-oriented, educational entertainment since 1980.

Our experience coupled with a ***Masters in Early Childhood Education*** enables us to provide a variety of activities that are not only entertaining, but age-appropriate and educational.

.....
Our Philosophy.....Young children between the ages 0-8 years should be provided the opportunity to grow and develop physically, mentally, socially and emotionally to their fullest potential.

They learn by watching and by doing and need positive experiences and the opportunity to play and enjoy life.
